PhD—Personal Health Informatics
Major Code: PHEI (Personal Health Informatics)

Yr 1 FL  HINF 5200 Personal Health Informatics 4.0 SH
Yr 1 FL  CS 5010 Program Design Paradigm or Other 4.0 SH
        Approved Advanced Programming Course
        Semester Total.................................................. 8.0 SH

Yr 1 SP  CS 5340 Computer/Human Interaction 4.0 SH
Yr 1 SP  CS 6350 Empirical Research Methods 4.0 SH
Yr 1 SP  HINF 5XXX Personal Health Informatics
        Usability Evaluation Practicum
        (pending approval)
        Semester Total.................................................. 10.0 SH

Yr 2 FL  HINF 5XXX Personal Health Interface System
        Design, Development, and Evaluation 1
        (pending approval)
        Yr 2 FL  MATH 7245 or MATH 7343 or PHTH 5210 3.0 or 4.0 SH
        Yr 2 FL  Research 1.0 SH
        Semester Total.................................................. 8.0 or 9.0 SH

Yr 2 SP  HINF 5XXX Personal Health Interface System
        Design, Development, and Evaluation 2
        (pending approval)
Yr 2 SP  HINF 5XXX Health Data Systems Standards
        and Interchange (pending approval)
        Semester Total.................................................. 9.0 SH

Yr 3 FL  Personal Health Informatics Graduate Elective 4.0 SH
Yr 3 FL  Research (candidacy preparation) 1.0 SH
        Semester Total.................................................. 5.0 SH

Yr 3 SP  Personal Health Informatics Graduate Elective 4.0 SH
Yr 3 SP  Research (comprehensive exam) 1.0 SH
        Semester Total.................................................. 5.0 SH

Yr 4 FL  Research 1.0 SH
        Semester Total.................................................. 1.0 SH

Yr 4 SP  Research (dissertation proposal defense) 1.0 SH
        Semester Total.................................................. 1.0 SH

Program Total 47.0 or 48.0 SH
